# Czech container wholesale near

## Overview

---

Which sea shipments from China to the Czech Republic?

The most regular sea shipments from China to the Czech Republic are FCL and LCL. FCL (Full container load): shipping a container filled with goods exclusively for one client from China to the Czech Republic. Shipping FCL is more cost efficient.

Which country imports from Czech Republic?

The Czech Republic, also known as Czechia, is a landlocked country in Central Europe. The Czech Republic's main trading partner is Germany. China ranks second for Czech Republic imports. If you happen to be importing from China, this guide is definitely helpful to your business.

How long does it take to ship from China to Czech Republic?

Above transit time is for full container load shipping, port to port only, for LCL shipping time estimate, pls add 7-10 days. Normally, an air shipment from China to the Czech Republic takes 3-5 days. Direct flight routes are available between a few Chinese cities and Prague, making the air cargo transit time less than 1 day.
