Who is contact off grid kit?

There’s no one-size-fits-all solution — and a good system isn’t just about parts, it’s about planning. That’s where I can help. Contact Off Grid Kit is run from our off grid holding in Co.Down. We only sell products that we would use ourselves, our business is run using 100% off grid renewable energy, and we deliver to the whole of Ireland.

Is off your grid a good company?

Thanks again guys. Off Your Grid is a great company to deal with. I originally bought a River Mini and Bag from them and have since made other purchases including a Solar Panel and Cables. The EcoFlow products are so well thought out and have been a welcome addition to our holidays ,camping trips and many other uses on a day to day basis.
